

## **Renter's Insurance**

Renter's insurance is inexpensive and covers you for loss, damage or destruction of personal property; protects you from liability; and provides coverage for additional living expenses you may incur if your residents become uninhabitable.

There are several companies which carry renters insurance. Often you can get renters insurance through your auto insurance company.

Other carriers include:

Calloway Insurance Agency 636-305-8320

MetLife 1-800-422-4272

State Farm 314-206-4734

USAA 1-800-531-8722
